2023 FAMILY HOUSE  
*Chairman's Cup  
Award*

**Susie Hernishin of  
SJH Design**

*This award is given annually to an individual or group that has gone above and beyond the call of duty to support the Family House Polo Match, which raises funds to support Family House's mission to provide comfortable, affordable accommodations for families who travel to Pittsburgh for medical care.*

SJH Design has greatly enhanced this legacy event for attendees, sponsors, volunteers, and staff alike.

Susie has conceptualized and executed the vibrant themes of many annual Polo Matches, making each come to life with great creativity and professionalism. Her exceptional work product has been long-admired by Family House, and her many contributions are deeply appreciated.

2023 FAMILY HOUSE  
*Muldoon Cup  
Award*

**Al and Jeanne Vallano**

*The Muldoon Cup honors the memory of Michael Muldoon, brother of Potomac Polo Club Captain Joe Muldoon, Jr. This award recognizes individuals or organizations whose outstanding contribution to Family House emulates the spirit of Michael, his love of life, family and polo, and his keen sense of humor and compassion.*

From Al's tremendous leadership and participation on the Family House Board of Directors to Jeanne's many years of service as a House Volunteer, the organization would not be the same without their commitment, generosity, passion, and tireless energy. Al and Jeanne have helped shape Family House as it is known today through their many efforts. Each patient and family who comes through Family House's door is positively impacted by their giving spirit.

## THANK YOU FOR SUPPORTING FAMILY HOUSE

Family House provides a safe, comfortable, and affordable “home away from home” for families who travel to Pittsburgh from across the country and around the world to receive treatment at the region’s world-class medical systems. Your participation today supports this critical mission.

## FAMILY HOUSE

— 40 years —

Family House is thrilled to kick off our 40<sup>th</sup> Anniversary at today’s Polo Match. Since 1983, Family House has remained a necessary service in Pittsburgh, meeting the needs and alleviating some of the inevitable stress for thousands of patients and families traveling to our community annually for medical care.

This would not have been possible without the generosity and support of the outstanding Family House community. Whether you are a longtime volunteer, a cherished guest, a member of the Board of Directors, or an all-around supporter, you have played an integral role in ensuring the highest standard of service to Family House’s patients and their loved ones.

Thank you and cheers to 40 years!
