“We would like to thank you very much for our stay. We were met by friendly faces during our time here and everyone was so friendly. We found it very comforting and safe. It felt like home. The suites we stayed in were very nice, clean and neat and very spacious. With the price of hospital visits, etc...it sure was nice to find a place that was in our budget and your ‘home’ was more than we could have hoped for. Thanks again for being here for the families.”

Family House now has an exceptional way you can honor a loved one or mark a special occasion. The Family House **Adopt a Day** program allows you to select a date that is special to you, such as an anniversary, a birthday or other day close to your heart.

In remembrance of a special day in your life or your loved one's life, you may donate \$250.00 to Family House in recognition of that day highlighted by your specific message of tribute. Should you like to sponsor a week in honor of someone, you may do that as well.

Simply let Family House know the message you would like displayed by filling out the attached form and sending it to Family House with your check for \$250.00 for sponsorship of a day or \$1,500.00 for a weekly sponsorship. You will receive a letter of acknowledgment from Christie Knott, Executive Director of Family House stating you are sponsoring your selected date. You will also receive recognition on the Family House web site with a listing of your message and a mention in the Family House newsletter. You will have the opportunity to submit a photo that will also be displayed with your web site listing.

Please thoughtfully consider sponsoring a day that is meaningful to you and your family. The families and friends we serve will be grateful for your participation.
